ABOUT ME

I am an aspiring Front-End Developer learning HTML, CSS, JavaScript, and responsive design. I enjoy building interactive and accessible web projects and am familiar with Git & GitHub for collaborative development.

PROJECTS

Idea share project

OCT 2025

- Built an Idea Sharing web app using HTML, CSS, and JavaScript
- Used localStorage to save and display user ideas
- Added features like posting ideas, likes, and comments
- Designed a responsive and clean user-friendly interface

Mini Calculator

OCT 2025

- Built a responsive mini calculator using HTML, CSS, and JavaScript
- Created a clean, intuitive interface for a smooth user experience
- Added functional arithmetic operations for seamless calculations

Responsive Product Card UI

OCT 2025

- Designed a product card layout using Flexbox
- Added responsive behavior with media queries
- Implemented interactive buttons and smooth hover effects
